

Earnest Money HAS GONE MOBILE

RGS Title now offers the ZOC CAM mobile application, enabling real estate agents and buyers to send earnest money checks instantly and securely.

Download the ZOC CAM app to your smartphone and create an account.

Select Capture on the home screen and select Earnest Money Deposit.

Choose RGS as your title company, and specify the RGS Title branch the funds are to be sent to.

Enter all necessary information: Property address, Check Amount, Contact information, etc.

Snap a photo the front and back of the check. A well lit area on a dark surface works best.

You will receive a confirmation email that we received the EMD funds!
